HETZNER FINLAND OY has chosen 100% renewable energy

50% WIND POWER
50% HYDRO POWER

and is therefore a

CONTRIBUTOR TO A CLEANER FUTURE

The origin of electricity is certified with Guarantees of Origin (GoO) in accordance with the RES–E Directive. The guarantees of origin have been granted in accordance with the EECS (European Energy Certificate System) standard. Oomi Oy acquires a corresponding amount of electricity certified with a guarantee of origin, which is verified by an auditor each year.
